

Bulk Requests

Bulk requests allow patrons to select up to 5 items to place hold requests on at once.

To place Bulk Requests on items in the Patron Accessed Catalogue:

1. **log in** to your My Account.
2. Perform a **search** for the items you are looking for.

3. **Add items to my list.**

If you have not yet created a list you can do so from the search results page by clicking [New List]

Once an item has been added successfully the (added) will appear in front of Add to List.

4. Once items have been added to **my list**, go to the my account tab and select **my record** from the drop-down menu. Find the **my list** in the left side dashboard.

5. Once on the **my List page** you can select the items you wish to request and click **place request**.

The screenshot shows the PAC interface. On the right, the 'My Account' dropdown menu is open, with 'My Record' circled in green. Below it, 'Log Out' is also circled. On the left, the 'My Lists' section is visible, with 'Saved Title Lists' circled in green. The main content area shows a list of items. The first item, 'Cookie love : more than 60 recipes and techniques for turning the ordinary into the extraordinary' by Segal, Mindy, author, is selected with a checkbox. The second item, 'One smart cookie : all your favorite cookies, squares, brownies and biscotti - with less fat!' by Rosendaal, Julie Van, is also selected. At the bottom, the 'Place Request' button is circled in green.

6. After clicking place request you will be taken to the **select a pickup location** screen. Select your home library and click **continue**.

Place requests:

The 'Place requests' form includes fields for Barcode, Username, Pickup Library (a dropdown menu), and Activation Date (with an example: 3/12/2019). The 'Continue' button is circled in green.
