

Homepage Features

The screenshot shows the homepage of the Parkland Regional Library System. At the top left is the logo for the Parkland Regional Library System, featuring a stylized tree and the text "Parkland Regional Library System". To the right of the logo is a navigation bar with the following items: "Open Today 8:30 am - 4:30 pm", "Search by: catalogue", a search input field with "Search..." and a magnifying glass icon, and dropdown menus for "About Us", "Events", and "eLibrary". Further right are "Login" and "Donate" buttons.

The main content area is dominated by a large banner image of a rolling green field at sunset. Overlaid on the bottom left of this image is a white text box with the following content:
Welcome to Parkland Regional Library System
Parkland was the first regional library in Alberta, created in 1959.

To the right of the banner is a "Key Dates" section, which is highlighted with a red box. It contains the following text:
Key Dates
November 11, 2023
Parkland Regional Library System
Remembrance Day

Below the banner and key dates is a "Special Features" section, also highlighted with a red box. It features a photograph of a person's hands holding a smartphone.

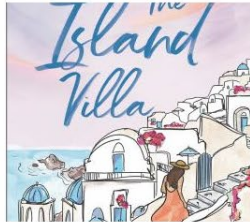

Red arrows point from text labels to these sections: "Key Dates" points to the Key Dates section, "Banner" points to the banner image, and "Special Features" points to the Special Features section. A small blue accessibility icon is visible in the bottom right corner of the page.
