Getting started with Libby

Libby is made possible by your local library and built with ♥ by OverDrive.

The Libby app is the easiest way to get started with digital books, audiobooks, and magazines from your public library!

1 Install Libby for Android, iOS, or Fire tablets from overdrive.com/apps/libby. Or, visit libbyapp.com in your Chrome, Firefox, Safari, or Edge browser.

2 In Libby, follow the prompts to find your library and sign in with a valid library card. You will be asked for a PIN number as well. For Parkland Regional Library System member libraries, this will be the last four digits of the patron's phone number.

3 Browse your library's collection and borrow a title.

4 Borrowed titles appear on your **Shelf** ( ) and download to the app automatically when you're on Wi-Fi, so you can read them when you're offline. On your **Shelf**, tap **loans** at the top of the screen. From there, you can:

- Tap **Open in Libby**, **Open Magazine**, or **Open Audiobook** to start reading or listening in the app.
- Tap **Manage Loan** to see options like **Renew Loan** and **Return Early**.

Happy reading!
