# How to Suggest an eBook or eAudiobook in cloudLibrary for Purchase
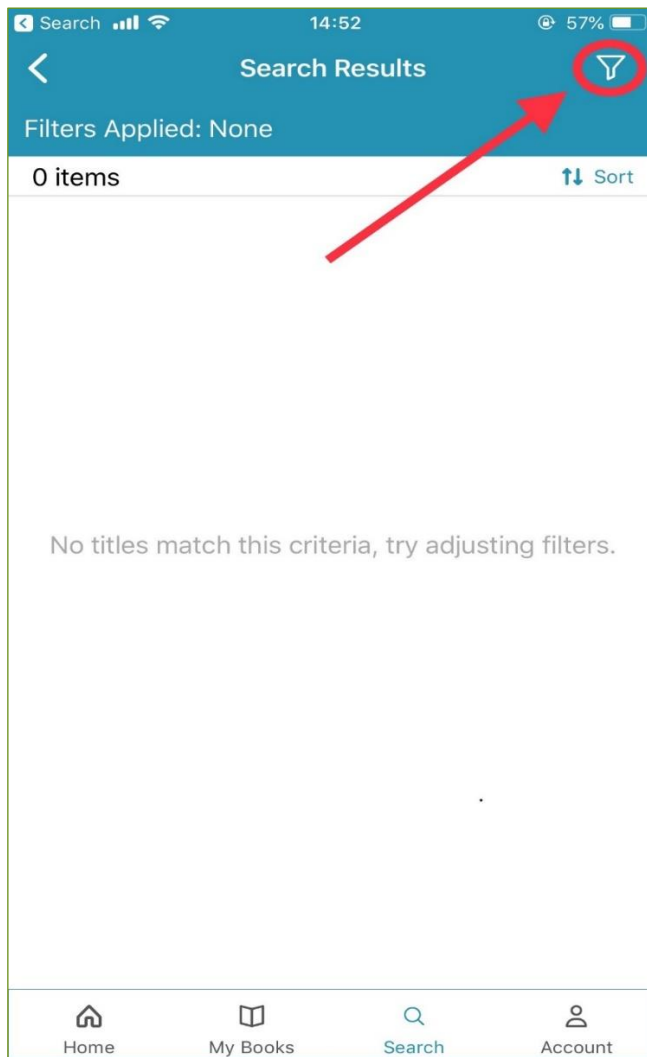

If you don't already have the cloudLibrary app, you can download it for free from your preferred app/play store! Once it's downloaded on your device, you are ready to let us know what title(s) you'd like us to add to our cloudLibrary collection!

1) Open your cloudLibrary app (make sure you are logged in) and click on the magnifying glass at the bottom of the screen. Type the title of the book you wish to find in the search bar:
